TRANSYLE

PRESENTED BY AWESOMECASE

Presentation Overview

THINGS WE'LL COVER

- What is Transfer Style ?
- ML vs TL.
- Our Approach.
- Breakdown of Services.
- Our Reach & Applications.
- Future Prospects.

What is Transfer Style Learning?

NEW AGE ML

Situation where new learned knowledge and skills are used in learning other information , real life situation and experience.

ML vs TL

MAXIMIZING DIGITAL
PLATFORMS

ML is limited to training and learning from it .
That's the reason RNN is hard to train.
TL simply help to train and use that info
anywhere

OUR APPROACH

Full Accountability

Both content and style is preserved.

Unparalleled Creativity

Art is never bounded by lack of imagination .

Authenticity

If you're your authentic self, you have no competition.

Our Reach

INFLUENCERS IN
THE INDUSTRY

Fashion

Beauty

Travel

Fitness

Future Prospects

Increase in market share

E-commerce becomes more attractive due to art and creativity.

Word-of-mouth messages

Successful products.

Increased conversions

Higher standards for lead quality.

Valuable brand exposure

Entering in new dimensions when we interact with AR & VR .Which significantly improve sales.

THANK YOU
